Superb Shorthorns

Once more I have had the obligation and the pleasure of inspecting the consignments for an Auglaize County Shorthorn Breeders' Association sale. They are for the sale to be held at Wapakoneta, Ohio, April 22, 1946.

It is remarkable how consistently and persistently the breeders who are members of this Association have improved their herds and hence their sale offerings throughout the twenty-nine years that I have known them. Of course, they are not all the same breeders who formed the Association almost thirty years ago. Some have died or moved away and others have taken their places. Improvement has been manifest year after year and this year the consignments rank with the best of any state or district sale in the Country.

All of these breeders are not residents of Auglaize County. Some of them live in other Ohio counties some distance away but they have been associated with this group of breeders for years and have been regular consignors to its sales. Influenced by the group as a whole, the individual members have bought better sires, have added superior foundation cows to their herds and have produced and are producing products that can go into the best of herds with profit to their owners.

A study of this catalog will show that every animal is bred from the best of Shorthorn bloodlines. The many illustrations of cattle that are to be sold and of sires in the herds of the sellers, show them to be of strictly modern type, true breed character, rich color and excellent conformation. There is a large number from which to select, many with calves at foot, and I do not hesitate to recommend to anyone in want of truly high class Shorthorns, to attend this sale and to buy.

In this sale will be found the sort of cattle upon which successful herds are built. Come to see them. You will not be disappointed.

Will Johnson of The Shorthorn World

30th Annual Sale

In this our 30th sale we will sell 65 of the best cattle ever sold by any association in Ohio.

Included will be 12 cows with calves at side and rebred to the very best herd bulls money could buy.

The 18 bred heifers are especially attractive, well bred, grand individuals and carrying the service of the best bulls in Western Ohio. Seldom will you find as many really good bred heifers in any sale.

The 15 bulls, several of which are pictured in this catalogue, mostly of serviceable age, are a splendid lot, good enough to head any herd of good cows. They are good individuals, good colors, in nice condition and exceptionally well bred.

As to open heifers they will be the best of any ever sold by this association, sired by such bulls as: Roan Pat, Browndale Count, Browndale Stamp, Irvin Hill Colynie, Woodshade Supreme, Watt Acre Prince, Model Stamp, Commanders Robin, Maxwalton Mintmaster, Conners Browndale, Watt Acres Conqueror and others equally as good, are all of the present day type and many show prospects. Just a grand lot of heifers.

Every consignor to this sale has selected for his offering cattle of which he feels justly proud, and cattle which will improve the breed. The offering as a whole is superior to any this association has sold heretofore. To estimate their true value they must be seen, just arrange to be with us on April 22nd, and you will go home glad you were there.

Mail Bids:—Those wishing to buy at this sale who cannot be present may send their bids to the Sales Manager: Will Johnson of the Shorthorn World; Clint Thompson of the Shorthorn Breeders Ass'n.; L. S. Crouch of the Indiana Farmers Guide, or any of the auctioneers.

Auctioneers: Halsey, Des Moines, Ia.; Roy Johnson, Decatur, Ind.; and Ross Downing, New Hampshire, Ohio.

FANCY BEAUTY 2036916

Fancy Beauty is a real good type of brood cow. We purchased the entire G. L. Good herd and intended to keep this cow. Our desire to consign a good cow and calf is reason she is in sale. She was the best producer in the Good herd. She has at side a roan bull calf sired by Maxwalton Matchmaker by the International Jr. Champion Browndale Cumberland. Will probably be rebred to Broadhooks Leader, an International Congress first prize winner.
